### LOCATION

Located on the eastern border of Kamloops, the Dallas Industrial Park is a light industrial/general industrial area that has efficient access to the Trans-Canada Highway by way of the Kokanee Road interchange. Anchor businesses include Moly-Cop, Brandt, Cummins, Prairie Coast, Petro-Pass Truck Stop and Southern Irrigation.

The Dallas Industrial Park is a fast-growing hub for warehousing, distribution, and a wide range of commercial services. The growth driver has been proximity to the Trans-Canada Highway, public transit, and newer generation buildings that provided efficiency, corporate appeal, and freehold land ownership without the risk of land leases.
