

FOR LEASE

Office + Life Science +
Creative Industrial

13
13 EAST PENDER STREET

READY FOR FIXTURING

Designed by TKA+D Architecture and developed by CJAD Properties, 1313 East Pender Street is a new, state-of-the-art, five-story hub for office, life science and creative industrial users.

Located minutes from downtown Vancouver in the dynamic Clark Drive corridor, 1313 EP offers an energetic and healthy work environment for innovators that are looking to attract top talent while staying close to their roots in the City of Vancouver.

1313 EP is designed from the ground up with maximum compatibility in mind and includes high-efficiency glazing, heavy power, venting for fume hoods and direct truck loading from the lane. The office space offers full floor occupancy with 360-degree views and rooftop terraces.

ARCHITECTURE | Taylor Kurtz Architecture & Design Inc.

TKA-D architects have over the last 40 years created a global portfolio of projects that have each been conceived to follow their distinctive design philosophy. With an overarching objective to make the world a better place for their clients and the users of their buildings and spaces, they strive to ensure that their actions have a positive impact on our environment. By striving for sustainability at every level, they understand that for a project to be truly successful, it must first be sustainable at a financial, social as well at an environmental level.
